

C-RESULT GROW SCHEDULE

(SOIL, COCO, ROCKWOOL FIBRE, WATER & HYDRO-SYSTEMS ETC):
MIXING VALUES PER LITER OF WATER

Instructions:

1. Fill your water tank with water.
2. Add your fertilizers (C-SILVER and C-GOLD) and boosters to your water tank and mix it.
3. Add 1ml C-Result per 1L water to your water tank and mix it.
4. Ready to water your plants!

C-RESULT

Patented fertilizer transporter

- C-Result ensures that all available fertilizers and boosters are absorbed by your plant.
- Result = Bigger yields, heavier harvests, stronger plants and solves problems.
- C-Result is a natural and organic additive for plants. EC is 0.0.
- Suitable for all substrates (soil, coco, rockwool fibre and hydro-systems).
- Can be combined with all fertilizer brands.
- C-Result was successfully tested by Wageningen University & Research.

Available in
250ML, 1L, 5L, 10L, 20L

C-BIG BUDS

PK Booster 21/33%

- C-Big Buds creates the biggest, hardest and stickiest flowers in the world.
- C-Big Buds puts your plant in the most ideal shape during the flowering phase.
- Extremely high yield, resin production, aroma production and quality guaranteed. The name says it all.
- Suitable for all substrates (soil, coco, rockwool fibre and hydro-systems).
- Can be combined with all fertilizer brands.

Available in
250ML, 1L, 5L, 10L, 20L

C-LED

Only for LED growers

- C-LED eliminates all negative side effects when growing crops with LED lighting (in the growth & flowering phase).
- C-LED consists of an increased and rapidly absorbable dose of: Nitrogen, Calcium chloride, Magnesium, Celtic sea minerals and Statically processed water molecules.
- Suitable for all substrates (soil, coco, rockwool fibre and hydro-systems).
- Can be combined with all fertilizer brands.

Available in
250ML, 1L, 5L, 10L, 20L

C-SILVER & C-GOLD

The best ALL-IN-ONE fertilizer in the world

- C-SILVER ensures healthy growth, a larger root system, and an optimal defense system.
- C-GOLD leads to more flowers, more compact and tasty fruit, stronger resin formation, a larger root system and an optimal immune system.
- C-SILVER and C-GOLD consist of high-quality organic fertilizer compounds that can be absorbed directly by the roots of the plant.
- Suitable for all substrates (soil, coco, rockwool fibre and hydro-systems).
- Can be combined with all fertilizer brands.

Available in
250ML, 1L, 5L, 10L, 20L
